Nelly –

Thanks. Are you sure you have the correct control number for this one? I gave you two red folders. One contained several items of incoming correspondence regarding Rosemont Mine. The other contained a Notice of Availability for a military Draft Environmental Impact Statement. The OEX contact listed for the Rosemont folder was Brenda Salvador, not Eliska Postell. As requested, I've made a few edits to your proposed message.

Thanks for your help.

Hi Kathy,

Thank you for contacting the HQ Controlled Correspondence Office and for your coordination in getting the "red folder" closed. Attached is a draft that I've composed for our response. Kindly review it and put in your editorial touches!

Thanks,

Nelly
